Lounge and Range Rules

General Rules:

1. Our range is a pistol range. However, during the last hour we are open, we allow AR-15 style rifles with caliber restrictions: 5.56, .223, & .300 Blackout. All rifle ammo used in the range must be bought from GGC. (This is the only way we can ensure no military, armor piercing, or tracing rounds are used.) Pistol Caliber Carbines are able to be shot in the range any time.
2. You must be 21 years or older to be a member. Guests must be 18 years or older to use the range. Family/Children ages 12-17 years are allowed to use the range on "Family Day" – Sunday's from 5-7pm, after they have taken a hands-on safety course. Minors take our Safety Class for free with a paid adult.
3. Vulgar language and obscene jokes and material are not allowed within the club.
4. All members must maintain a clean and presentable appearance while at the club. For example, no muddy boots, dirty clothes, greasy hands/clothing, etc.

5. Giving your membership badge to another person for them to use will result in immediate termination of your membership – no exceptions or refunds.
6. If your badge is lost, it is up to you to report it immediately to the concierge so we can cancel your badge and issue you a new one. There will be a \$25 charge to replace any lost or stolen badges.
7. No alcohol or tobacco products (including “vaping”) are allowed in the club (cigars are allowed ONLY in the Cigar Lounge). Coffee and snacks are allowed in The Gatling Lounge.
8. The Cigar Lounge and its bathroom at Glacier Gun Club is for Summit Members ONLY. Rainier members must use the restroom located in the Liquor Store.

Range Rules:

9. Members may bring multiple guests in during a single visit. However, a single-lane restriction may apply to give priority to other members if space is limited.
10. NO Food or Drinks are allowed within the range at any time. No exceptions.
11. Proper eye and ear protection must be worn prior to walking through the first door of the sally port to the range, and at all times while in the range.
12. Only 2 people are allowed per lane unless otherwise instructed by Glacier Gun Club Staff.
13. No going beyond the firing line at any time (where the black carpet meets the concrete). This includes hockey sticks, brooms, etc. NOTHING may go past the firing line.
14. Cross-lane firing or shooting at anything other than your own target is strictly prohibited. Any person seen firing at lights, baffles, carriers, walls, or any other range property or equipment will be removed from the range, barred from future use of Glacier Gun Club facilities, and reported to the proper authorities for appropriate action. You will be held accountable and may have to pay for any damage you cause by not following these range rules.
15. Your firearm is assigned to a lane; therefore, no passing of firearms from lane to lane is permitted. If you would like to share your firearm with a friend, place the firearm on the bench in its assigned stall and allow your friend to shoot from its designated lane.
16. When you are finished shooting, secure your firearm in a case or holster, clean up around your booth by throwing trash in the receptacle provided and by sweeping brass forward of the firing line. Please inform the Glacier Gun Club staff of any equipment that does not appear to be operating properly.
17. Commands issued by the Glacier Gun Club Staff must be followed immediately. Glacier Gun Club Staff are authorized to remove any shooter whose behavior is detrimental to the safe operations of the of the range.
18. When the command “CEASE FIRE” is given (OR when the range lights go off and on three times), stop shooting IMMEDIATELY, remove your finger from the trigger, keep the gun pointed downrange, and wait for further instructions from Glacier Gun Club Staff.
19. Firearms will only be uncased or removed from the holster within the shooting stalls/lanes. Load and unload all firearms in your assigned lane on your bench. No uncased firearms are permitted outside of the shooting stall.
20. No holster or quick draw shooting allowed on the range unless you have been signed off by a Glacier Gun Club Firearms Instructor.
